

NEW LEAF PAPER®

PAPER WITH A PAST, AND A FUTURE

New Leaf Paper is leading the way in sustainable paper choices. Buy paper and let our sustainable solutions help you help our planet!

Our paper uses post-consumer recycled fiber, which means that we actually SAVE trees. From 2019 to 2021, we saved over 1,000,000 of them!

Join us in our mission to provide sustainable solutions that address destructive climate change while meeting your paper product needs!

New Leaf Paper supplies paper with the greatest environmental benefit while meeting the needs of print and publishing customers.

We are committed to making a difference by planting trees, utilizing recycled materials, and providing educational opportunities for future generations.

We strive to inspire a shift towards sustainability in the paper industry. Authenticity and environmental leadership, are the heart of **New Leaf Paper**.

We are educators and innovators teaching the benefits of making environmentally responsible paper and changing behavior today to create a sustainable tomorrow.

New Leaf Paper embeds our social and environmental values into every product line and relationship. Learn more about us at newleafpaper.com. Contact us at info@newleafpaper.com or 888.989.5323. Find more about our environmental affiliations on back.
